

Synchronous inputs

experimental mean threshold
model mean threshold
exp. mean proximal threshold
model mean proximal threshold
exp. mean distal threshold
model mean distal threshold
exp. mean amplitude at th.
model mean amplitude at th.

exp. mean peak dV/dt at th.
model mean peak dV/dt at th.

exp mean degree of nonlinearity at th.
model mean degree of nonlinearity at th.
exp mean suprath. degree of nonlinearity
model mean suprath. degree of nonlinearity
exp. mean time to peak at th.
model mean time to peak at th.
